

Dear Tammy,

We are so happy with the sale of our house at Knowlton, Court, it seems Time to give credit as we feel you could not have a more caring, focused, informed and experienced realtor to sell your home than Ann Cruz.

Ann guided us through numerous steps. First refurbishing, then selling our home. She communicated, advised and always kept us informed in the process. No wonder she has been outstandingly successful!

Ann and your Company will always have our loyalty and appreciation.

Sincerely,

Marion Owens
